

Addendum No. 1

**Request for Proposals ES-25-01
Consulting Services
2025-2026 Waste Characterization Study**

The addendum is being issued prior to the closing of the Request for Proposals to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Proponents shall attach a signed copy of this addendum to their proposal.** This addendum shall form part of the Service Agreement.

Question: Are you looking for a firm that has been a prime contractor for projects related to all areas: solid waste management, transfer station and compost operations, organics diversion and curbside collection management?

Response: Please refer to Section 1.0, Summary of Opportunity:

"The Regional District of Fraser-Fort George invites Proposals from experienced consultants for the undertaking of a three-season waste characterization study at the Foothills Boulevard Regional Landfill (the Site). The objective of the study is to understand the waste stream composition arriving at the Site and how it varies between the seasons."

Date: February 5, 2025

Addendum 1 Received.
