Addendum No. 2

Invitation to Tender ES-25-04 Supply and Install Fencing Valemount Regional Transfer Station

The addendum is being issued prior to the closing of the Invitation to Tender to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Tenderers shall attach a signed copy of this addendum to their submission.** This addendum shall form part of the Contract Documents.

This addendum is being provided in clarification to ITT ES-25-04 released March 19, 2025.

Change to PART C – Contract Conditions, Section 24. Scope of Work

Add additional clause to read:

24.10 The installation of bear deterrent mesh on the west fence line, starting at the main gate, then north to the end of the fence. This measures approximately 179 meters +/-.

Change to Appendix K – Site Map

Replace original Site Map with the updated map attached to this Addendum No. 2 showing the new perimeter fencing which is approximately 520 meters +/-.

Question: Is there a Lidar map available for this location?

Answer: No, we do not have a Lidar map for this location.

Question: Will stumps be pulled?

Answer: Yes, stumps will be pulled, and the fence line cleared.

Any Tender submissions received after the adjusted date and time will not be considered.

I/We hereby verify that we have considered this Addendum No. 1 in our ITT submission.
