

REGIONAL DISTRICT of Fraser-Fort George

July 29, 2026

Addendum No. 1

Invitation to Tender ES-26-17 Supply and Install Phase Two Fencing – 155 George Street

The addendum is being issued prior to the closing of the Invitation to Tender to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Tenderers shall attach a signed copy of this addendum to their submission.** This addendum shall form part of the Contract Documents.

This addendum is being provided in clarification to ITT ES-26-17 released July 22, 2026.

All references to 7-foot-high commercial ornamental black coated steel fencing within this Invitation to Tender document are hereby amended to read 8-foot-high commercial ornamental black coated steel fencing.

For example:

Part A – Introduction currently reads:

The Regional District of Fraser-Fort George (Regional District) invites tenders from qualified contractors to supply and install Phase Two commercial ornamental fencing at the Regional District's 155 George Street office building in Prince George, BC. The Contractor will provide all labour, materials, supplies, equipment, removal, disposal, supervision, and services necessary to complete the work specified herein.

The work includes the removal and disposal of existing chain link fencing along 1155 1st Avenue and the supply and installation of approximately 119 metres of 7-foot-high commercial ornamental black coated steel fencing.

Shall be changed to read:

The Regional District of Fraser-Fort George (Regional District) invites tenders from qualified contractors to supply and install Phase Two commercial ornamental fencing at the Regional District's 155 George Street office building in Prince George, BC. The Contractor will provide all labour, materials, supplies, equipment, removal, disposal, supervision, and services necessary to complete the work specified herein.

The work includes the removal and disposal of existing chain link fencing along 1155 1st Avenue and the supply and installation of approximately 119 metres of 8-foot-high commercial ornamental black coated steel fencing.

155 George Street, Prince George, BC V2L 1P8

ELECTORAL AREAS A, C, D, E, F, G AND H | MACKENZIE | MCBRIDE | PRINCE GEORGE | VALEMOUNT

Part C – Contract Conditions, 26. Scope of Work currently reads:

This contract includes Phase Two of a multi-phase project for fencing the parking areas at the Regional District's 155 George Street office building in Prince George. Phase Two includes all labour, materials, supplies, equipment, supervision, layout, permitting, removal and disposal of existing chain link fencing, installation, restoration, cleanup, and warranty requirements necessary to remove and dispose of existing chain link fencing along 1155 1st Avenue and supply and install **7-foot-high commercial ornamental black coated steel fencing** in accordance with Appendix K – Specifications and the Site Map attached as Appendix L.

Shall be changed to read:

This contract includes Phase Two of a multi-phase project for fencing the parking areas at the Regional District's 155 George Street office building in Prince George. Phase Two includes all labour, materials, supplies, equipment, supervision, layout, permitting, removal and disposal of existing chain link fencing, installation, restoration, cleanup, and warranty requirements necessary to remove and dispose of existing chain link fencing along 1155 1st Avenue and supply and install **8-foot-high commercial ornamental black coated steel fencing** in accordance with Appendix K – Specifications and the Site Map attached as Appendix L.

Appendix D – Schedule of Prices – Tendered Price currently reads:

Lump sum tendered price for ES-26-17 – Supply and Install Phase Two Parking Lot Fencing – 155 George Street, Prince George, including all labour, materials, equipment, supervision, mobilization, demobilization, layout, permitting, inspections, utility locates, traffic and pedestrian control where required, removal and disposal of existing chain link fencing along 1155 1st Avenue, supply and installation of approximately 119 metres of **7-foot-high Ameristar Montage Commercial Majestic commercial ornamental black coated welded steel fencing**, installation, restoration, cleanup, warranty, and all other work necessary to complete the Work.

Shall be changed to read:

Lump sum tendered price for ES-26-17 – Supply and Install Phase Two Parking Lot Fencing – 155 George Street, Prince George, including all labour, materials, equipment, supervision, mobilization, demobilization, layout, permitting, inspections, utility locates, traffic and pedestrian control where required, removal and disposal of existing chain link fencing along 1155 1st Avenue, supply and installation of approximately 119 metres of **8-foot-high Ameristar Montage Commercial Majestic commercial ornamental black coated welded steel fencing**, installation, restoration, cleanup, warranty, and all other work necessary to complete the Work.

This change also applies to Appendix J – Sample Contract Agreement, Appendix K – Specifications and Appendix L – Site Map.

I/We hereby verify that we have considered this Addendum No. 1 in our ITT submission.
