

REGIONAL DISTRICT of Fraser-Fort George

September 22, 2026

Addendum No. 2

Invitation to Tender ES-26-19

Supply and Install Replacement Lunch-Office Trailers – Foothills Landfill-Vanway RTS

The addendum is being issued prior to the closing of the Invitation to Tender to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Tenderers shall attach a signed copy of this addendum to their submission.** This addendum shall form part of the Contract Documents.

This addendum is being provided in clarification to ITT ES-26-19 released September 14, 2026.

The current specifications listed in the Invitation to Tender at the Vanway Site are listed as the following:

Vanway Trailer windows – 3 Slider windows, industry standard size with security bars over windows.

The specifications will now read: both side windows will remain industry standard (40”H x 47”W) the single front (end) window will be (40”H x 72”W).

Question 1: Foothills Site - Are there drawings available of the current foundation?

Answer 1: The Regional District does not have the original foundational drawings; the City of Prince George (who installed the trailer 2004) may have them in their archives.

Question 2: Foothills Site - Is there any interest in the furnace being outside? Do you want to stick with propane? If you had dedicated electric, would you like to go fully electric?

Answer 2: No, the heating will be provided by an internal furnace as per the existing trailer.

I/We hereby verify that we have considered this Addendum No. 2 in our ITT submission.

Signature of Tenderer

Name of Tenderer

Date

155 George Street, Prince George, BC V2L 1P8
