Question: How will pricing be evaluated for on-site versus off-site cover material?

Answer: Pricing comparisons will be based on the Schedule of Pricing contained in Appendix D. The on-site hourly rate shall apply when cover material is sourced from the Legrand borrow pit.

The off-site hourly rate shall apply when cover material is obtained from an alternative source located outside the Legrand borrow pit area.

Bidders shall identify the cost, if any, associated with relocating cover material to the Legrand site to complete the required services.

Question: Will annual price increases be permitted during the term of the contract?

Answer: No, the contract is based on a set term however there a floating fuel surcharge table which has been included to help off set fluctuating fuel costs. See Section 33, Fuel Surcharge.

Question: Who is responsible for snow clearing and maintenance of the access road?

Answer: The access road from the highway to the Legrand gate is serviced by YRB.

Question: Can a copy of the fill plan be provided to tenderers prior to tender closing?

Answer: No, the Regional District will supply the updated fill plan and the DOCP to the successful bidder.

I/We hereby verify that we have considered this Addendum No. 1 in our ITT submission.
