Addendum No. 2

Invitation to Tender ES-26-20 Compaction and Cover Services - Legrand Demolition and Construction Waste Landfill

The addendum is being issued prior to the closing of the Invitation to Tender to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Tenderers shall attach a signed copy of this addendum to their submission.** This addendum shall form part of the Contract Documents.

This addendum is being provided in clarification to ITT ES-26-20 released September 22, 2026.

Question: Do you have any historical and forecast annual hours, servicing frequency, cover volumes, off-site haul distances, mobilization frequency, expected response time, and whether equipment must remain dedicated?

Answer: Historical and forecasted annual hours and cover volumes – Please refer to the 2024 Annual Report for historical information: [2024 Legrand Annual Report](#).
Servicing Frequency – Please refer to Addendum No. 1.
Off-site haul distances – Please refer to Addendum No. 1.
Mobilization frequency – Per each service, start to finish.
Expected response time – Two weeks from time of call in.
Whether equipment must remain dedicated – Only while on site for service work requests.

I/We hereby verify that we have considered this Addendum No. 2 in our ITT submission.
