**Addendum No. 3**

**Request for Proposal FS-23-02**

**CORPORATE CLIMATE CHANGE ACTION PLAN UPDATE**

The addendum is being issued prior to the closing of the Request for Proposal to provide further information, make changes to, or to clarify the Contract Documents and is to be read, interpreted and coordinated with all other parts of the Contract Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Tenderers shall attach a signed copy of this addendum to their tender.** This addendum shall form part of the Contract Documents.

**Question #1:** Do you expect the successful proponent to engage with the RDFFG Board of Directors and/or the Climate Action Mitigation and Adaptation Standing Committee to: introduce the project; and/or conduct a workshop regarding high level actions and proposed emission targets; and/or present the final draft plan for input?

**Answer #1:** The Regional District requests that the consultant include the cost to present the final draft plan to the Regional Board via virtual presentation. The term of this project is now six months, and the presentation would take place in February 2024 at the earliest.

Date: June 20, 2023
