Author: Ethan Hoffman, AScT, BCME

Date: April 2, 2024

Item #	Section	Description
Contract Amendments		
		None
Clarifications		
		None
Questions and Answers		
Q1		ITT Section 3.0 indicates that email submission of tenders is acceptable but does not mention the bid security. With respect to the bid bond, would a verifiable electronic bid bond in .PDF format be acceptable? We use Mobile Bonds which are accepted by the BC Ministry of Transportation and Infrastructure and other clients using MMCD specifications.
A1		<i>A verifiable electronic bid bond is acceptable.</i>
