Ministry of Transportation and Transit (MoTT):

The Ministry of Transportation & Transit (MoTT) has received the above noted referral from the Regional District of Fraser-Fort George regarding the proposed renewal of a Temporary Use Permit for preliminary resource processing use. The application has been reviewed and approved. Please note the following:

- No storm drainage shall be directed to MoTT drainage system. This includes but is not limited to collection and run-off of the internal road system.
- MoTT setback requirements to be followed as per Section 12 of the Provincial Undertakings Regulation (here)

Restriction on placement of buildings or other structures

12 An owner, occupier or lessee of land must not, without the consent of the minister, place or cause or allow to be placed any building, trailer, mobile home or other structure within the following distance from the property line fronting on any arterial highway within a municipality or on any highway in unorganized territory:

(a) if a public lane or alley provides secondary access to the property, 3 m;

(b) in any other case, 4.5 m.

Simpcw First Nation

Please see attached.

Simpcw First Nation (Simpcw) acknowledges the receipt of the proposed activity submitted via NationsConnect Referrals portal located within Simpcwúłecw (Simpcw Territory): Temporary Use Permit No.290-Preliminary Resource Processing.

Simpcw appreciated the opportunity to review and would like to provide the follow up statement relating to the proposed project.

In review of the proposal, Simpcw exercises their right under UNDRIP Article 11 "...includes the right to maintain, protect and develop the past, present and future manifestations of their cultures, such as archaeological and historical sites, artifacts." Simpcw also exercises their right Under UNDRIP Article 24 "Indigenous peoples have the right to their traditional medicines.... including conservation of their vital medicinal plants, animals and minerals."

Based on these rights, Simpcw has determined that Field Assessments will be required.

Please contact Simpcw NRD Manager Kerri Jo Fortier at NRD.Manager@simpcw.com to secure a Service Agreement to obtain the required assessments to be completed. Once a service agreement has been secured and ratified, the field assessments will be conducted.

Based on the Field Assessment outcomes, further recommendations, mitigations, and strategies will be forthcoming.

Simpcw NRD looks forward to working with you and thanks you for this opportunity to provide feedback relating to the proposal.
