REQUEST FOR PROPOSAL PS-26-03 VALEMOUNT FRONT LINE ENGINE

*The addendum is being issued prior to the closing of the Request for Proposal (RFP) to provide further information, make changes to, or to clarify the RFP Documents and is to be read, interpreted and coordinated with all other parts of the RFP Documents. In the case of a conflict with the balance of the documents, this Addendum shall govern. **Proponents shall attach a signed copy of this addendum to their proposal submission, failure to do so may result in a non-compliant proposal.** This addendum shall form part of the Contract Documents.*

Questions are being provided in clarification to RFP PS-26-03 released January 23, 2026.

Question 1: Appendix E Minimum Specifications Body item 17 Provide wiring for a 5500-watt Honda generator, that will be located on dunnage deck area near the booster reel (120V electric panel). To have 240V standard receptacle. - Is the proponent only to supply prewiring or include the supply and install of the generator?

Answer 1: Proponent to supply and install 5500-Watt Honda Generator.

Question 2: Appendix E Minimum Specifications Miscellaneous item 2 - Apparatus to be pre-wired for two VHF radios in cab. Fire Department will provide the radio equipment. - Is the proponent to install the customer supplied radios or only account for prewiring?

Answer 2: The Regional District will supply Kenwood NX700 radios, proponent to install and complete wiring.

Question 3: Appendix E Minimum Specifications Lighting item 3 - One (1) demountable and extendable 120VAC FRC LED tripod "extend-a-light", installed at rear of unit. To be plugged into exterior electrical box while mounted. Light will be located in R4 compartment Two (2) outlets for light to be provided so one free outlet is available to be used per location at rear of unit. - Can you please clarify where the demountable lights are to be located? Are they to be at the rear of the apparatus or in R4?

Answer 3: The tripod and demountable light will be stored in R4.

I/We hereby verify that we have considered this addendum in our proposal submission.
